**APS'S Qualifications**

3. APS has a wealth of experience in providing interim management services and enjoys an excellent reputation for services it has rendered in large and complex chapter 11 cases on behalf of debtors throughout the United States.

4. APS's professionals have provided strategic advice to debtors, creditors, bondholders, investors, and other entities in numerous chapter 11 cases. APS, AlixPartners, its subsidiary affiliates, and its predecessor entities have provided interim management services in numerous cases. *See, e.g., In re Alta Mesa Resources, Inc.*, No. 19-35133 (MI) (Bankr. S.D. Tex. Oct. 8, 2019); *In re Aceto Corporation*, No. 19-13448 (VFP) (Bankr. N.J. Mar. 14, 2019); and *In re Blackhawk Mining LLC*, No. 19-11595 (LSS) (Bankr. D. Del. Aug. 9, 2019).

5. I have more than twenty-three (23) years of experience working on many large restructurings and bankruptcies and have served in interim management roles and as a financial and restructuring advisor to clients in a variety of industries, such as pharmaceuticals, post-acute care, energy, gaming, oilfield services, subsea services, shipping and consumer products. I have extensive experience in treasury operations, liquidity management, financial accounting and reporting, operational and debt reorganization, key stakeholder management and business plan development, as well as cost-reduction initiatives. I have served as an officer of numerous companies through their restructuring including but not limited to *Aegerion Pharmaceuticals, Inc.*, No. 19-11632 (MG) (Bankr. S.D.N.Y. June 27, 2019); *HCR Manorcare*, No. 18-10467 (KG) (Bankr. D. Del. Apr. 5, 2018); *Energy & Exploration Partners, Inc.*, No. 15-44931 (RFN) (Bankr. N.D. Tex. Dec. 23, 2015); and *Triangle USA Petroleum Corporation*, No. 16-11566 (MFW) (Bankr. D. Del. Aug. 1, 2016). In addition, I have acted as a restructuring advisor to *Tropicana Entertainment, LLC*, No. 08-10856 (KJC) (Bankr. D. Del. May 5, 2008), during its chapter 11 reorganization. I also worked with *Calpine Corporation*, No. 05-60200 (BRL) (Bankr. S.D.N.Y.

Dec. 20, 2005), and *Mirant Corporation*, No. 03-46590 (DML) (Bankr. N.D. Tex. July 14, 2003), during the restructuring of those companies.

6. The individuals who will work on this matter (the “APS Personnel”) have substantial expertise in the areas discussed above, and, if approved, will provide services to the Debtors under an order approving this Application. The APS Personnel will work closely with the Debtors’ management and professionals throughout the reorganization process. By virtue of the expertise of its restructuring personnel, APS is well qualified to provide services to and represent the Debtors’ interests in these chapter 11 cases.

7. APS performed significant prepetition work for the Debtors, and as a result has acquired significant knowledge of the Debtors and their businesses, and familiarity with the Debtors’ financial affairs, debt structure, operations, and related matters. Likewise, in providing prepetition services to the Debtors, APS Personnel have worked closely with the Debtors’ management and their other advisors. Accordingly, APS has experience, expertise, and specifically relevant knowledge regarding the Debtors that will assist it in providing effective and efficient services in these chapter 11 cases.

#### **Services to Be Provided**

8. APS Personnel and I will provide the ordinary course duties of a CTO, reporting to the Debtors’ Chief Executive Officer and Board, and working collaboratively with the senior management team, the Board, and other professionals of the Debtors. I will assist the Debtors in evaluating and implementing strategic and tactical options through the restructuring process. In addition to my ordinary course duties as a CTO, the APS Personnel roles may include working with the Debtors to do the following:

- Manage liquidity, including determining weekly disbursement levels, and develop a short-term operating plan designed to maximize liquidity while

maintaining the efficiency of the Debtors' operations, sustaining vendor relationships, and minimizing the impact on the Company's customer base;

- Support management team and its advisors develop and assess strategic alternatives;
- Manage the advisors who are assisting the Debtors in their exploration of strategic alternatives or who are working for the Debtors' stakeholders;
- Prepare and approve budgets and cash forecasts and evaluate variances thereto, as required by the Debtors' lenders;
- Develop communication plans, communicate with, and meet information needs of, the Debtors' stakeholders, including existing and potential lenders;
- Provide support to the Debtors' finance function, including oversight of cash receipts and disbursements forecasting, variance tracking and reporting, cash and liquidity management, and compiling information as needed to present to the Company's stakeholders;
- Develop the Debtors' revised business plan, and such other related forecasts as may be required by the Debtors' lenders in connection with negotiations or by the Debtors for other corporate purposes;
- Design, negotiate and implement a restructuring strategy designed to maximize enterprise value;
- Create and communicate diligence materials and manage the flow of information to potential acquirers in connection a potential sale of the Debtors' assets;
- Identify, preserve, collect, process, host, and produce electronically store information;
- Consult regarding information management; and
- Assist with such other matters as may be requested by the Board and the Chief Executive Officer and are mutually agreeable.

9. APS understands that the Debtors may retain additional professionals during the term of its engagement and will work cooperatively with such professionals to integrate any respective work conducted by the professionals on behalf of the Debtors. The services provided by APS will complement, and not duplicate, the services to be rendered by any other professional retained in these chapter 11 cases.

#### **Professional Compensation**

10. APS's decision to accept this engagement is conditioned upon its ability to be (a) retained in accordance with its customary terms and conditions of employment,

(b) compensated for its services, and (c) reimbursed for the out-of-pocket expenses it incurs in accordance with its customary billing practices, as set forth in Schedule 1 of the Engagement Letter (the “Fee and Expense Structure”).

(a) APS’s hourly rates, subject to periodic adjustments, are as follows:

<b>Position</b>	<b>Hourly Rate</b>
Managing Director	\$990– \$1,165
Director	\$775 - \$945
Senior Vice President	\$615 - \$725
Vice President	\$440 - \$600
Consultant	\$160 - \$435
Paraprofessional	\$285 - \$305

11. In the normal course of business, APS may periodically adjust its billing rates. For this engagement APS has agreed to maintain rates for one year following execution of the engagement letter dated November 14, 2019. Changes in applicable hourly rates will be noted on the invoices for the first-time period in which the revised rates became effective.

12. Services related to electronic discovery and data collection, and certain monthly hosting fee and consulting fees will apply, as further detailed and outlined by the addendum dated November 14, 2019.

13. In addition to compensation for professional services rendered by APS Personnel, APS will seek reimbursement for all reasonable out-of-pocket expenses incurred in connection with these chapter 11 cases, such as travel, lodging, and meals.

14. The Fee and Expense Structure is consistent with and typical of compensation arrangements entered into by APS and other comparable firms that render similar services under similar circumstances. APS believes that the Fee and Expense Structure is reasonable, market-

based, and designed to compensate APS fairly for its work and to cover fixed and routine overhead expenses.

15. To the extent APS uses the services of independent contractors (the “Contractors”) in these chapter 11 cases, APS shall: (a) pass through the cost of such Contractors to the Debtors at the same rate that APS pays the Contractors; (b) seek reimbursement for actual costs only; (c) ensure that the Contractors are subject to the same conflict checks as required for APS; and (d) file with the Court such disclosures required by Bankruptcy Rule 2014.

16. To the extent APS requires services of its international divisions or personnel from specialized practices, the standard hourly rates for that international division or specialized practice will apply.

17. APS will submit monthly invoices to the Debtors for fees and expenses.

18. Upon approval of the relief requested, APS will not submit fee applications pursuant to Bankruptcy Code sections 330 and 331. APS will, however, file with the Court, and provide reports of compensation earned and expenses incurred on a monthly basis (“Compensation Reports”) to: (a) the Office of the U.S. Trustee for the Southern District of Texas; (b) entities listed as holding the 50 largest unsecured claims against the Debtors (on a consolidated basis); (c) Credit Agricole Corporate and Investment Bank, 1301 Avenue of the Americas, New York, New York 10019, Attn: Ronald E. Spitzer, Kathleen Sweeney, and Yuri Tsyganov, as DIP LC Agent and as DIP Collateral Agent (each as defined in the DIP Credit Agreement) under the DIP Credit Agreement, as Revolving Administrative Agent and as Collateral Agent (the “Revolving Administrative Agent”) under that certain Superpriority Senior Secured Credit Agreement, dated as of October 21, 2019, and as Revolving and LC Administrative Agent and as Collateral Agent (the “Revolving and LC Administrative Agent”) under that certain Credit Agreement, dated as of

May 10, 2018; (d) Linklaters LLP, 1345 Avenue of the Americas, New York, New York 10105, Attn: Margot Schonholtz, Esq. and Penelope Jensen, Esq., counsel to the DIP LC Agent, the DIP Collateral Agent, the Revolving Administrative Agent, and the Revolving and LC Administrative Agent; (e) Bracewell LLP, 711 Louisiana Street, Suite 2300, Houston, Texas 77002, Attn: William A. (Trey) Wood III, Esq., co-counsel to the DIP LC Agent, the DIP Collateral Agent, the Revolving Administrative Agent, and the Revolving and LC Administrative Agent; (f) the indenture trustee for each of the Debtors' unsecured notes, and counsel thereto; (g) Paul, Weiss, Rifkind, Wharton & Garrison LLP, 1285 6th Ave, New York, NY 10019, Attn: Andrew N. Rosenberg and Alice Belisle Eaton, and Brown Rudnick LLP, 7 Times Square, New York, NY 10036, Attn: Robert J. Stark and Bennett S. Silverberg, co-counsel to the Ad Hoc Group of Senior Noteholders; (h) Davis, Polk & Wardell LLP, 450 Lexington Ave., New York, NY 10017, Attn: Damian S. Schaible and Natasha Tsiouris, counsel to the Ad Hoc Group of Term Lenders; (i) the United States Attorney's Office for the Southern District of Texas; (j) the Internal Revenue Service; (k) the United States Securities and Exchange Commission; (l) the Environmental Protection Agency and similar state environmental agencies for states in which the Debtors conduct business; (m) the state attorneys general for states in which the Debtors conduct business; and (n) any party that has requested notice pursuant to Bankruptcy Rule 2002.

19. APS may from time to time add or remove staff, and APS will file staffing reports that will reflect the APS Personnel that provided services on a monthly basis ("Staffing Reports"). Staffing Reports will include the names of all full- and part-time APS Personnel involved in these chapter 11 cases and each individual's hourly billing rate.

20. In addition to hourly fees, APS has negotiated for compensation of its efforts by the payment of a success fee.

21. APS often works for compensation that includes hourly-based fees and performance-based, contingent incentive compensation earned upon achieving meaningful results. In these chapter 11 cases, the Debtors and APS have agreed on contingent incentive compensation (the “Success Fee”).

22. APS shall earn the Success Fee (subject to Court approval, as applicable) of \$5,000,000 upon the earliest to occur of any of the following: (a) completion of a restructuring through confirmation of a chapter 11 plan of reorganization, (b) the consummation of any out-of-court recapitalization or restructuring (through a single transaction or series of transactions) of the majority of the Debtors’ debt, or (c) consummation of one or more transactions, in any form, that effectively transfers a majority of the business as a going concern to another entity or entities. The Success Fee shall be due and payable immediately when the success objective or objectives determined as described above have been achieved.

23. APS understands and agrees that the Success Fee is not being pre-approved and remains subject to Court approval. While APS is not seeking pre-approval of the Success Fee, APS wishes to advise the Court at this time that the Success Fee was negotiated as part of the overall agreement.

24. APS and affiliates received unapplied advance payments from the Debtors in the amount of \$1,000,000.00 (collectively, the “Retainer”) prior to the Petition Date. According to APS’s books and records, during the 90-day period prior to the Petition Date, Debtors paid APS and affiliates \$8,279,495.00 in aggregate for professional services performed and expenses incurred.

25. Any balance of the Retainer will constitute an evergreen retainer as security for postpetition services and expenses. An evergreen retainer is appropriate in these chapter 11 cases.

First, evergreen retainer agreements reflect normal business terms in the marketplace. *See In re Insilco Techs., Inc.*, 291 B.R. 628, 634 (Bankr. D. Del. 2003) (“[I]t is not disputed that the taking of evergreen retainers is a practice now common in the marketplace .... [T]he practice in this district has been engaged in since at least the early 1990’s ....”). Second, APS and the Debtors are sophisticated business entities that have negotiated the Retainer at arm’s length. As such, the Debtors respectfully request that approval of the proposed evergreen retainer is warranted.

26. Due to the ordinary course and unavoidable reconciliation of fees and submission of expenses immediately prior, and subsequent to the Petition Date, APS may have incurred, but not billed, fees and reimbursable expenses that relate to the pre-petition period. Approval is sought from this Court for APS to apply the Retainer to these amounts. Upon entry of an Order approving the relief requested herein, the Debtors will not owe APS any sums for prepetition services.

#### **APS’s Disinterestedness**

27. In connection with the proposed employment and retention of APS by the Debtors, APS undertook a lengthy conflicts analysis process to determine whether it had any conflicts or other relationships that might cause it not to be disinterested or to hold or represent an interest adverse to the Debtors. Specifically, APS obtained from the Debtors and/or their representatives the names of individuals and entities that may be parties in interest in these Chapter 11 Cases (“Potential Parties in Interest”). Such parties are listed on **Schedule A-1** attached hereto. A search was performed for connections to the Potential Parties in Interest as to AlixPartners Holdings, LLP (“Holdings”), APS’s parent company, and each of Holdings’ U.S. and non-U.S. subsidiary affiliates, including APS. Results are disclosed for connections to Potential Parties in Interest. In addition, an email is sent to all of its professionals inquiring of any potential connections.

28. Based on that review, APS represents that, to the best of its knowledge, APS knows of no fact or situation that would represent a conflict of interest for APS with regard to the Debtors.

APS wishes to disclose the following with respect to Holdings, APS, and each of their respective subsidiaries (collectively, “AP,” unless otherwise noted):

- The equity capital of Holdings is owned individually by: (i) the Managing Directors of AlixPartners; (ii) Lakeview Capital Holdings, Inc., the Jay Alix Living Trust and other affiliates of Jay Alix (collectively the “Lakeview Parties”); (iii) affiliates of each of (a) Caisse de dépôt et placement du Québec (“CDPQ”), (b) Investcorp Bank B.S.C. (“IVC”), and (c) Public Sector Pension Investment Board (“PSP Investments”); and (iv) other individuals and trusts. Neither CDPQ, nor IVC, nor the Lakeview Parties, nor PSP Investments (collectively, the “Investors”), nor any Managing Director, other individual or trust separately owns a majority of the equity capital of Holdings directly or indirectly or separately controls the Boards of either Holdings or AlixPartners. None of the Investors own any of the bank or other debt of AlixPartners.
- CDPQ is an institutional investor that manages funds primarily on behalf of a number of Quebec-based public pension and insurance plans. As one of Canada’s leading institutional fund managers, CDPQ invests globally in major financial markets, private equity, infrastructure and real estate.
- Investcorp is a leading global provider and manager of alternative investment products.
- The Lakeview Parties and related entities are entities owned or controlled by Jay Alix that, among other things, make investments on behalf of Mr. Alix and his family.
- PSP Investments is a Canadian Crown corporation established in 1999 to manage employer and employee contributions made after April 1, 2000 to the Canadian Federal Public Service, the Canadian Forces and the Royal Canadian Mounted Police pension funds. It is also responsible for contributions made after March 1, 2007 to the Canadian Reserve Force Pension Fund. PSP Investments manages a diversified global portfolio composed of investments in public financial markets, private equity, infrastructure, natural resources, real estate and private debt.
- Designees of the Investors or their subsidiaries serve as some of the members of the boards of directors of each of AlixPartners and Holdings (collectively, the “Boards of Directors”). In addition to their investments in Holdings, all of the Investors have substantial investments unrelated to AP. Accordingly, as a precautionary matter, AP maintains information barriers designed to prevent confidential client information, including the names of clients likely to be involved in reorganization proceedings under the Bankruptcy Code, from being shared with the Investors or their designees on the Boards of Directors.
- To that end, no material nonpublic information about the Debtors has been or will be furnished by AP to the Investors, the InvestCos (as defined below) or their Board of Directors designees, and AP will continue to abide by its confidentiality obligations to the Debtors. AP operates independently of the Investor Conflicts Parties (as defined below), and does not share employees, officers or other management with any such Investor Conflicts Parties (as defined below). AP and each of the Investor Conflicts Parties have

separate offices in separate buildings, use separate Internet email addresses, and do not otherwise share IT systems. No personnel of the Investor Conflicts Parties work on AlixPartners client matters or have access to AlixPartners client information or client files or client personnel. No AP executive or employee is a director, officer or employee of any Investor. Each Investor is governed by its own board of directors or similar body and managed by its own management team. Each Investor is independent of each other Investor.

- AlixPartners has searched the names of the Debtors and the list of Potential Parties in Interest against the names of (i) the Investors, (ii) the subsidiaries of the Investors that either hold a direct position in Holdings or hold a direct position in the entity that holds a direct position in Holdings (collectively, the “InvestCos”), and (iii) the subsidiaries of the Investors that hold, directly or indirectly, positions in the respective InvestCos. In addition, AlixPartners has searched and/or will request each Investor to search the names of the Debtors against the companies that the InvestCos have a direct greater than 10% investment in (collectively, with (i) – (iii) the “Investor Conflicts Parties”). AlixPartners has determined, to the best of its knowledge based solely on that search, that there are no connections with the Investor Conflicts Parties that require disclosure other than as noted herein. Because of the information barriers described above, the sheer size of the investment portfolios of the Investor Conflicts Parties, and any applicable securities laws, prior to the Petition Date, AlixPartners was unable to further investigate any potential or actual connections between the Investor Conflicts Parties and the Debtors and the Potential Parties in Interest. To the extent any potential or actual connections are discovered after the Petition Date, if there exists a material connection, AlixPartners will promptly supplement this disclosure. Notwithstanding the foregoing, AlixPartners’ conflicts check did not and will not extend to entities owned by mutual funds in which an Investor Conflicts Party has an interest; entities owned by separate accounts managed by non-affiliates for an Investor Conflicts Party; entities owned by private equity funds in which an Investor Conflicts Party has a limited partnership interest managed by non-affiliates (even though the particular Investor Party may be represented on the limited partner advisory board or investor committee and even though the particular Investor Conflicts Party may have a passive interest in the general partner); entities where any of the Investor Conflicts Parties serves as general partner or investment manager holding interests representing, directly or indirectly, 10% or less. Nor does it or will it necessarily include indirect investments, such as businesses owned or investments made by an Investor Conflicts Party’s portfolio company(ies), or passive investments held or managed by any of the Investor Conflicts Parties. In addition, because of the sheer size of the investments of the Investors and their respective affiliates and subsidiaries, except as described herein, AlixPartners’ conflicts check did not and it will not necessarily include any other affiliates or subsidiaries owned, directly or indirectly, by each Investor, or any investments made by such other affiliates or subsidiaries, nor will it include, to the extent applicable, any depositors of the Investors.
- Although AlixPartners has performed a conflicts check of the Investor Conflicts Parties as set forth above, as a result of, among other things, the sheer size of the investments of the Investor Conflicts Parties, one or more of the Investor Conflicts Parties may, in the ordinary course and from time to time, hold, control and/or manage loans to, or investments in, the Debtors and/or Potential Parties in Interest and/or may trade debt and/or equity securities

in the Debtors and/or Potential Parties in Interest. In addition, one or more of the Investor Conflicts Parties may also have had, currently have, or may in the future have business relationships or other connections with the Debtors or other Potential Parties in Interest. To the extent AlixPartners learns of material business relationships or other material connections that are not included herein, AlixPartners will promptly file a supplemental disclosure.

- Other than as specifically noted herein, AlixPartners has not undertaken to determine the existence, nature, and/or full scope of any business relationships or connections that the Investor Conflicts Parties may have with the Potential Parties in Interest, the Debtors and their affiliates, or these chapter 11 cases.
- Further, AlixPartners may have had, currently have or may in the future have business relationships with, among other entities, portfolio companies of the Investors and portfolio companies of private equity funds in which they are limited partners, in matters unrelated to the Debtors or their affiliates in these chapter 11 cases. Based on, among other things, the business separation between each of the Investor Conflict Parties and AlixPartners, the contractual client confidentiality obligations of AlixPartners and the information barriers referred to above, AlixPartners believes that it does not hold or represent an interest adverse to the estate with respect to the engagement.

29. AlixPartners, APS, and its affiliates are advisors and crisis managers providing services and advice in many areas, including restructuring and distressed debt. As part of their diverse practice, AlixPartners and APS appear in numerous cases, proceedings, and transactions involving many different attorneys, accountants, investment bankers, and financial consultants, some of whom may represent claimants and parties in interest in these chapter 11 cases. Further, AlixPartners and APS have been in the past, currently, and may in the future, be represented by several attorneys and law firms, some of whom may be involved in these chapter 11 cases. In addition, AlixPartners and APS have been in the past, currently, and likely will be in the future, engaged in matters unrelated to the Debtors or these chapter 11 cases in which they work with or against other professionals involved in these cases. Moreover, AlixPartners and APS might have referred work to other professionals who are retained in these chapter 11 cases. Likewise, certain such professionals who are retained in these chapter 11 cases might have referred work to AlixPartners. To the best of my knowledge, information, and belief, insofar as I have been able to ascertain after reasonable inquiry, none of these business relations constitute interests adverse to the Debtors.

30. From time to time, APS and AlixPartners have provided services, and likely will continue to provide services, to certain creditors of the Debtors and various other parties adverse to the Debtors in matters wholly unrelated to these chapter 11 cases. As described herein, however, APS and AlixPartners have undertaken a detailed search to determine, and to disclose, whether either is providing or has provided services to any significant creditor, equity security holder, insider or other party-in-interest in such unrelated matters.

31. To the best of my knowledge, information and belief, insofar as I have been able to ascertain after reasonable inquiry, and except as set forth herein, neither I nor any member of the APS engagement team (a) have any connection with the U.S. Trustee, or any employee in the Office of the U.S. Trustee or (b) are related or connected to any United States Bankruptcy Judge for the Southern District of Texas, Houston Division, any of the District Judges for the Southern District of Texas who handle bankruptcy cases, except as otherwise set forth herein.

32. To the best of my knowledge, none of the APS Personnel or AP is a direct holder of any of the Debtors' securities. It is possible that certain APS Personnel or certain of AlixPartners or APS employees, managing directors, board members, equity holders, or affiliates of any of the foregoing, may own interests in mutual funds or other investment vehicles (including various types of private funds) that own the Debtors' or other parties in interest's debt or equity securities or other financial instruments including bank loans and other obligations. Typically, the holders of such interests have no control over investment decisions related to such investment funds or financial instruments. AlixPartners' policy prohibits its employees from personally trading in the Debtors' securities.

33. To the best of my knowledge, information, and belief, insofar as I have been able to ascertain after reasonable inquiry, except as set forth herein, AlixPartners and APS have not been retained to assist any entity or person other than the Debtors on matters relating to, or in direct connection with, these chapter 11 cases. AlixPartners and APS will continue to provide professional services to entities that may be creditors or equity security holders of the Debtors or other parties in interest in these chapter 11 cases; *provided* that such services do not relate to, or have any direct connection with, these chapter 11 cases or the Debtors.

34. Despite the efforts described above to identify and disclose the connections that AP have with parties-in-interest in these chapter 11 cases, because the Debtors are a large enterprise with numerous creditors and other relationships, AlixPartners and APS are unable to state with certainty that every client relationship or other connection has been disclosed.

35. In accordance with section 504 of the Bankruptcy Code and Bankruptcy Rule 2016, neither I, AlixPartners, nor APS have entered into any agreements, express or implied, with any other party in interest, including the Debtors, any creditor, or any attorney for such party in interest in these Chapter 11 Cases for: (a) the purpose of sharing or fixing fees or other compensation to be paid to any such party in interest or its attorneys for services rendered in connection therewith, (b) payment of such compensation from the assets of the estates in excess of the compensation allowed by the Court pursuant to the applicable provisions of the Bankruptcy Code, or (c) payment of compensation in connection with these Chapter 11 Cases other than in accordance with the applicable provisions of the Bankruptcy Code.

36. Accordingly, except as otherwise set forth herein, insofar as I have been able to determine, none of APS, AlixPartners, I, nor any employee of APS who will work on the engagement holds or represents any interest adverse to the Debtors or their estates.

37. If APS discovers additional information that requires disclosure, APS will promptly file a supplemental disclosure with the Court as required by Bankruptcy Rule 2014. APS reserves the right to supplement this Declaration in the event that APS discovers any facts bearing on matters described in this Declaration regarding APS's employment by the Debtors.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct.
